**NOTA:**

Nelle tabelle che seguono, la suddivisione dei valori numerici è stata effettuata secondo il sistema anglosassone: le migliaia sono state separate con la virgola ed i valori decimali con il punto.

**NOTE:**

In the following tables, the division of the numerical values has been made according to the British system. The thousands have been separated by a comma, and the decimal values with a point.

**HINWEIS:**

Die Aufgliederung der numerischen Zahlenwerte in den folgenden Tabellen wurde gemäß dem angelsächsischen System erstellt: die Tausender wurden durch ein Komma getrennt, die Dezimalwerte durch einen Punkt.
